

Company Brochure 2026

Raavi Solar is Jaipur's trusted rooftop solar company — 15+ years, 500+ installations and a service network across 28+ districts of Rajasthan. We design, supply, install and maintain solar plants for homes, businesses and farms, using only ALMM-listed panels and genuine warranty-backed inverters. From subsidy application to net-meter approval, we handle everything.

OUR SERVICES

- **On-Grid Rooftop Solar**
Grid-connected plants with net metering — fastest payback, PM Surya Ghar subsidy.
- **Hybrid Solar Systems**
Solar + battery backup for homes with frequent power cuts.
- **Off-Grid Solar Systems**
Complete independence for farms, dhanis and remote sites.
- **Solar Water Pumps (PM-KUSUM)**
60% central + 30% state subsidy — farmer pays ~10%.
- **Panels / Inverters / BOS Sales**
Tata, Adani, Waaree, Vikram, Goldi, RenewSys + Growatt, Sungrow, Havells, Polycab, Livguard.
- **AMC & Maintenance**
Panel cleaning, generation audits and 24–48 hour breakdown support.

ON-GRID PACKAGE PRICES (INDICATIVE 2026)

Plant	Price (pre-subsidy)	After ₹78,000 subsidy	Generation
1 kW	₹55,000 – ₹75,000	₹25,000 – ₹45,000*	4–5 units/day
3 kW	₹1,65,000 – ₹1,95,000	₹87,000 – ₹1,17,000	12–15 units/day
5 kW	₹2,60,000 – ₹3,10,000	₹1,82,000 – ₹2,32,000	20–25 units/day
8 kW	₹4,20,000 – ₹5,00,000	₹3,42,000 – ₹4,22,000	32–40 units/day

*1 kW subsidy is ₹30,000 — shown net of that. 3–8 kW plants qualify for the full ₹78,000. GST extra.
